

# Launch of the implementation timeline for the amendments to the 2016 terms and conditions for junior doctors

24 July 2019

Jeremy Orr, Head of Medical Contracts

NHS Employers

# Overview

- Following negotiations to the 2016 terms and conditions for junior doctors, the BMA referendum returned a positive result, with 82 per cent of respondents voting in favour of the amended contract.
- A staggered implementation of agreed changes will commence from August 2019.

# Implementation timeline

# April 2019

## Annual pay uplifts

- Annual 2 per cent uplift applied during the period 2019/20 to 2022/23. Backdated to 1 April in 2019/20.
- System updates will be available on ESR by September 2019.

# 7 August 2019

## Amended 2016 contract is introduced

### Pay and transitional arrangements

- Trainees who are currently in receipt of 'Section 2' transitional pay protection under Schedule 14 will have their pay protection extended until 2025.
- Pay protection for changing specialty clause is updated to reflect the agreed method of calculating pay protection for those moving into hard-to-fill specialties.

### Leave

- Leave for life changing events.

# 7 August 2019

## Safety and rest limits

- Breaks for night shifts.
- Weekend frequency exemption for nodal point 2:
  - FY2 rotas using the weekend frequency exemption will be risk assessed at the point of commencement in August. Where no significant risks are identified that would render the service unworkable, rotas will be amended to a maximum frequency of 1 in 2 weekends, using local rota change processes, in line with the good rostering guide.
  - Where there is a significant impact on service provision and/or the trainees training requirements the existing rotas will remain in place until no later than December 2019.

# 7 August 2019

## Safety and rest limits

- Employers notified of 12-month timeframe to commence the process to alter existing rotas and will need to start consultation with trainees to reduce:
  - the maximum number of consecutive shifts rostered or worked over 8 consecutive days reduced from 8 to 7
  - the maximum number of consecutive long day shifts rostered or worked reduced from 5 to 4.

*Arrangements to alter existing rotas to meet this provision should commence as soon as is reasonably practicable but, in any event, must have concluded by 5 August 2020.*

# 7 August 2019

## Locum work

- Locum clause clarification

## Facilities

- Too tired to drive home provisions
- Payment for accommodation when non-resident on-call

## GP Trainees

- Supernumerary status of GP trainees
- Additional mileage/expenses for GP trainee home visits

## Guardian fines (as per amended pay circular)

- Rates of guardian fines

# 7 August 2019

## Exception reporting

- What can be exception reported
- Pre-authorisation for additional hours of work

## Work scheduling

- Personalised work scheduling meetings and off-site educational supervisors
- Exception reporting for missed personalised work scheduling meetings

*Due to the short notice with the implementation of this provision. For trainees commencing on 7 August, it may not be possible to arrange a meeting with their educational supervisor within the 4 week timeframe. In this situation the trainee must arrange a meeting with the clinical lead as soon as it's practicable to do so.*

What do employers need  
to do for August 2019?

## Pay and transitional arrangements

- Pay protection clause for those on 2002 terms and conditions is updated to reflect pay protection arrangements for those moving onto the updated 2016 TCS.

*The parties have committed to ensure that an arrangement in this regard will be reached by early October 2019. Trainees who remain on the 2002 TCS should not be moved onto the updated 2016 terms until pay protection arrangements have been finalised and a transition date agreed.*

# October 2019

## Safety Limits

- Maximum of 72 hours work in any consecutive 168-hour period

## Work scheduling

*Recommended to issue for Oct 2019, or at the trainees next scheduled rotation*

- Host and lead employer responsibilities (guidance)
- Mandatory training requirements to be sent with generic work schedule
- Generic work schedules to be sent to include the local trust induction required to be undertaken prior or at the start of the placement

# October 2019

## Safety limits

*Recommended to be reflected in rotas for October 2019 rotations. To be included in rotas for December 2019 rotations and all other rotas to be updated no later than February 2020.*

- Rest after night shifts
- Maximum 1 in 3 weekend frequency

# October 2019

## Exception reporting

- Review process for exception reports locally

## Agreed sections of the good rostering guidance

- Non-resident on-call rotas (NROC)
- Less Than Full Time (LTFT) principles
- Cover arrangements and leave

What do employers need  
to do for October 2019?

# December 2019

## Pay

- Weekend frequency allowance
- An enhanced rate of pay for shifts that finish after midnight and by 4am

## Exception reporting

- Response time for educational supervisors

## Guardian of safe working hours

- Administrative time and support

## Guardian fines

- Breaches that attract a financial penalty

# December 2019

## Flexible Pay Premia

- Academic Flexible Pay Premia (FPP)

## Less Than Full Time

- LTFT Allowance

## Flexible training

- Champion of flexible training

# February 2020

## Leave

- Study leave and mandatory training
- Prospective cover for study leave

# August 2020

## Code of practice

- 8/6 week notification provisions, with supporting caveats.

*Changes to be in place for doctors rotating from 5 August, requiring notifications at 8 and 6 weeks prior to this date, and all future rotation dates applicable*

# October 2020

## Introduction of the fifth nodal point

- 1 October 2020 the value will be £3,000 [£52,036]
- 1 October 2021 the value will increase to £6,000 [£56,077]
- 1 April 2022 the value will increase to £7,200 [£58,398]
