

# NHS PENSION SCHEME GOVERNANCE STRUCTURE

APRIL 2015 ONWARDS

## Secretary of State

The Secretary of State for health is the Responsible Authority for the Scheme Advisory Board and the Scheme Manager for the Pension Board.

## Pension Board

Assists the Scheme Manager in securing compliance with all relevant pensions law, regulations and directions. Provides assurance in, and governance of, the scheme administration.

## Scheme Advisory Board

Provides advice to the Responsible Authority, at the authority's request, on desirability of changes to the scheme.

## Scheme Administrators

The NHS Business Services Authority administers the NHS Pension Scheme.

## Technical Advisory Group

A partnership sub-group whose role is to consider the technical aspects of the scheme and make recommendations as required by the Scheme Advisory Board.
