- steps taken to promote equality and diversity need to be monitored;
- appropriate training should be provided.
- there must be a willingness to recognise the need for investment to provide and spend such money as is necessary to achieve these aims;
- the boards of NHS trusts (of NHS boards in Scotland) and other NHS organisations and senior managers must work for the aims of the agreements, and show that they are doing so in the decisions they take, their policies and actions;
- the NHS should encourage other organisations, such as local authorities, education providers, contractors and recruitment agencies, to work in partnership with the service to ensure that everyone working in and with the NHS does so in the spirit of this agreement.

**Monitoring and review**
Paragraph 30.5 is:
NHS employers and local staff representatives should look together at what progress they are making towards the aims of this agreement, within their own local arrangements. Annual ‘equality audits’ are recommended,
and these should cover:

- data on the make-up of the workforce by race, sex, age, disability and contract status (i.e. part time);
- what equality policies and procedures are in place;
- pay and grading;
- current monitoring processes.

Based upon the results of the audit, plans should be agreed about what is to be done towards meeting the aims of the agreement over the coming year. Guidance on the conduct of an equality audit will be developed separately. Where under-representation of particular racial groups, particular age groups, disabled staff or of a particular sex is identified, employers should take advantage of the positive action provisions in the discrimination legislation, assuming that the detailed conditions in the legislation are met. Guidance on positive action will be developed separately.

It is amended and is:

- Part 2: Section 2: Maintaining round the clock services
  - Paragraph 2
  - Paragraph 3
- Footnote number 1
What happens for staff who, before the implementation of Agenda for Change, did not receive unsocial hours payments (USH) for work in standard hours that fell within an USH period?
Under Agenda for Change all staff who work unsocial hours within their standard working week will receive unsocial hours payments under the provisions in paragraph 2.1 to 2.30 2.2 to 2.31. |
Part 2: Section 2: Maintaining round the clock services

**Paragraph 5**
Do the provisions for unsocial hours payments in Annex E apply just to staff working on ambulances or to all staff?

**Paragraph 6**
Footnote number 2
Paragraph 2.5 makes clear that the arrangements in Annex E should apply to ambulance staff (i.e. those who would have been subject to the provisions of the Ambulance Whitley Council had they been on national contracts). Paragraph 2.4 describes arrangements for transferring staff in former EI sites from the Annex E payments to the new payments in Section 2.

**Paragraphs 7, 31 and 46**

**Paragraphs 8, 33 and 48**
Footnotes number 3, 7 and 8
Does the protection for on-call arrangements include protection for the “rate of pay”. For example, if the local protected agreement says that Sunday is double time is this protected under 2.7 2.8.

Yes, all current on-call arrangements may be protected for groups of employees irrespective of whether they were nationally or locally agreed (paragraphs 2.7 2.8 and 2.46 2.48). It is the totality of the local national on-call agreement that is protected. Pay circular (AforC) 1/2009 announced that where flat rate on-call allowances continue to be paid in accordance with Section 2, these should be increased by 2.4%. This protection does not prevent local agreements on alterations to working patterns to meet changing service needs.

**Paragraph 7**

**Paragraph 8**
Footnote number 4
Are other groups of staff who might have had similar on-call arrangements to pathology covered by the protection offered in 2.7 2.8?

In paragraph 2.7 2.8 the protection of on-call arrangements during the “interim regime” are described as “a particular feature of NHS pathology departments.” All out of hours working in pathology is defined as “on-call”. However, other staff groups (including radiographers, physiotherapists and clinical scientists) who may also work similar “out of hours” arrangements are protected until new Agenda for Change on-call arrangements are
negotiated.

Part 2: Section 2: Maintaining round the clock services
Paragraphs 7, 31 and 46
Paragraphs 8, 33 and 48

On what date does the period of protection of current on-call arrangements start?

The following text is added to the end of the Annex:
