Section 2 application process for staff employed in ambulance trusts (England)

The NHS Staff Council has agreed these requirements for the application process in ambulance trusts.

Employers will need to confirm the terms of the national collective agreement to all their staff:

- As part of the national collective framework agreement on the 2018 pay deal, staff employed in ambulance trusts can voluntarily opt for section 2 unsocial hours payments.

- In line with the national agreement, this voluntary application process only applies to staff employed before 1 September 2018.

- Should a member of staff opt to be paid their unsocial hours payments under the provisions of section 2 they will not be able to switch back to having their unsocial hours paid under the provisions of annex 5.

Employers will inform applicants of the following:

- The acceptance/agreement to their application.
- The schedule for the changes to their pay to be implemented, including the date on which annex 5 unsocial hours payments will cease and the date on which eligibility for section 2 payments starts.
- Date of first payment of unsocial hours pay under section 2 rules.
- Where they should go / who they should talk to for more information.
- The national agreement preventing them moving back to annex 5 payments at any point after their application has been accepted by their employer.
