To: All NHS employers

Summary
This pay circular notifies employers of a change, in respect of redundancy pay, to the hospital medical and dental staff, doctors in public health medicine and the community health service (2002) Terms and Conditions of Service (TCS) and the Terms and Conditions – Consultants (England) 2003. Links to the amended TCS are given below.

Agreement
1 The Department of Health has approved changes to the redundancy pay arrangements for the NHS, following joint recommendations from NHS Employers and the NHS staff council. These arrangements supersede the provisions laid down in Section 45 and 46 of the General Council Conditions of Service.
2 The Joint Negotiating Committee (Seniors), Joint Negotiating Committee (Juniors) and the Staff and Associate Specialist Negotiating Committee have approved amendments, detailed below, to the relevant Terms and Conditions of Service (TCS).

Action
3 Revised redundancy pay arrangements will apply in full with effect from 1 October 2006. Please implement and, where necessary, retrospectively apply the new arrangements as soon as practicable.
4 A High Court judgment in 2006 highlighted the need for NHS employers to take all reasonable steps to ensure that the effects of nationally negotiated collective agreements are incorporated into individual contracts of employment.
5 It is good practice that employers should:
   o write to individual medical and dental practitioners in order to notify them of the revisions to their TCS; and
   o place a copy of the notification on each individual’s HR record.

Record of amendments

14 For ease of reference, all amendments which have been made to the contract since publication are collated in a record of amendments log. The log also records the Advance Letter, Pay Circular, or other reference under which amendments were issued.
15 Each amendment in the contract has been given a reference number which appears in the text as a superscript number at the end of each amendment i.e., ‘the superscript shows you that wording in this paragraph has changed’. The superscript number corresponds to the number assigned to the amendment in the record of amendments log. By doing this, the reader is notified that an amendment has been made to the contract and is directed to the relevant section of the record of amendments log. A link to the web page which holds the record of amendments log is given above.
