

Pay Circular (M&D) 1/2006

Pay and conditions for hospital medical and dental staff, doctors in public health medicine and the community health service

Annex To: All NHS employers

Summary

This pay circular informs NHS employers of the changes with effect from 1 April 2006 in the national pay and conditions of service of hospital medical and dental staff and doctors in public health medicine and the community health service.

Action

- 1 The revised national salaries, fees and allowances apply in full with effect from 1 April 2006. Please implement and, where appropriate, backdate the new awards as soon as possible.

Uplifts to national salary scales for 2006/07

- 2 The circular provides details of:
 - uplifts to national salary scales for 2006/07;
 - uplifts to fees and allowances;
 - GP Registrar supplements;
 - uplifts for salaried GPs;
 - arrangements for trainees on Foundation programmes (FT1, FT2) including those undertaking placements in general practice.
- 3 The uplifts to salary scales from 1 April 2006 are:
 - Doctors in training will receive a 2.2 per cent uplift;
 - Staff and Associate Specialist group of doctors will receive a 2.4 per cent uplift;
 - Consultants will receive a staged award of a 1 per cent increase from 1 April, which will rise to 2.2 per cent from 1 November 2006.
- 4 A further pay circular containing the revised national consultant salary scales, fees and allowances from 1 November 2006 will be issued in due course.

London weighting allowances

- 5 There is no increase to the 2005/06 rates for both non-resident and resident staff.

Uplift to fees and allowances

- 6 The uplifts to fees and allowances set out in this letter vary between 1 per cent and 2.4 per cent, in line with the uplifts to salary scales for different staff groups. Where a particular fee or allowance is payable to more than one staff group, the uplift has been set at the highest applicable rate.

MC73 consultant locum pay code

- 7 When the consultant contract was introduced in 2003 it was agreed that MC51 to MC71 and MC72 00 to 19 should be the designated pay codes for consultants first appointed before 31 October 2003 and on or after 31 October 2003 respectively.
- 8 Payroll providers also made available the MC73 pay code so that, if they chose to do so, employers could distinguish by pay code those consultants appointed substantively and those appointed on a locum basis. However, MC73 is not a pay scale like MC51 or MC72, where there is a clear progression path through the thresholds. It is simply a collection of pay values which includes every possible threshold point from both the MC51 and MC72 scales, including transitional points, upon which a locum consultant could be placed.
- 9 As locum consultant appointments are not permanent posts and tenure is as agreed on appointment, i.e. for a maximum of six months and then in exceptional circumstances up to twelve months, we would expect a reassessment of basic salary to take place with each new locum appointment. Please see Schedule 22 of the Terms and Conditions for details.
- 10 For more information on determining on which of the MC73 pay code scales a locum consultant should be placed, please see the consultant contract 'Frequently Asked Questions' which will shortly be published at: <http://www.nhsemployers.org/pay-conditions/pay-conditions-348.cfm>

GP Registrars

- 11 The GP Registrar supplement for doctors entering GPR VTS from hospital training grades will remain at 65% of basic pay for 2006/7. The supplement is payable only to GPRs on a pay point of a training grade; separate provision is made for doctors entering VTS from other backgrounds.
- 12 For information only at this time but for the sake of completeness pending the issue of Directions amending the Directions to Strategic Health Authorities concerning GP Registrars 2003, the text of annex 3 of the forthcoming Direction showing the allowances payable to GP Registrars employed by GP Practices is set out in annex A section 9.

Salaried GPs

- 13** The salary range for salaried GPs employed by Primary Care Organisations (PCOs) has been increased by 2.2 per cent. The salary range for 2006/07 is therefore: £50,332 to £76,462.

Foundation programmes

- 14** Until separate pay scales for FT1 and FT2 are agreed and published, on first appointment to FT1 trainees should normally be placed on the minimum of the PRHO scale; on first appointment to FT2 trainees should normally be placed on the minimum of the SHO scale subject to accreditation of equivalent service at that or a higher grade.

Foundation trainees in general practice placements

- 15** Trainees on Foundation programmes (FT1, FT2) undertaking placements in general practice should be paid under the normal provisions of their host trust contract of employment and banded according to their hours of work, on-call and out-of-hours duties.

Effect of amendments

- 16** The revised national rates and charges in the pages attached as annex A to this pay circular replace those notified in Pay Circular (M&D)1/2005 and will take effect from 1 April 2006.
- 17** The revised allowances and salary points for 2006/7 are calculated on the basis of a cumulative uplift on 2003/4 baseline figures to maintain relativity, and may therefore differ slightly from figures calculated by applying the uplift to 2005/6 figures.

Enquiries

- 18** Employees should direct personal enquiries to their employer.
- 19** Employers should direct enquiries to: doctorsanddentists@nhsemployers.org

Further copies

- 20** Copies of this circular can be downloaded from: www.nhsemployers.org
- 21** Prior to the establishment of NHS Employers in November 2004 responsibility to inform the NHS of uplifts and increases in pay for medical and dental staff covered by this circular rested with the Department of Health and was published in Advance Letters (Medical and Dental). Copies of previous Advance Letters from 1995 onwards may also be obtained from the Department of Health website at: www.dh.gov.uk/letters
