

Contractor - supplying and servicing laboratory equipment

Craig provides services to the NHS through an external contractor. His role involves supplying and servicing laboratory equipment. He does not have access to persons in receipt of health services while undertaking his duties.

Eligibility

Craig's role is not listed in the ROA Exceptions Order or the Police Act Regulations and is not eligible for a standard or enhanced DBS check. Employers may, however, wish to consider whether the roles, responsibilities of the work being undertaken and access to persons in receipt of health services might meet eligibility for a **basic disclosure**.
