

Healthcare assistant

Mohamed applies for a position as a healthcare assistant on an adults ward. His duties will include assisting elderly patients to eat their meals when they are too frail or ill to feed themselves.

Eligibility

Mohamed will be responsible for physically assisting and prompting adult patients to eat their meals where, due to their age, illness or disability, they are unable to do so for themselves.

This is regarded as providing personal care under regulated activity and therefore the role is eligible for an **enhanced check with adults barred list information**.
