

Paramedic

Ellie has been appointed as a paramedic at New Town Ambulance Trust. As the most senior healthcare professional at the scene of an accident or other emergency, she will be required to assess the patient's condition and give essential treatment. Ellie will administer oxygen, drugs, and intravenous drips. She also uses high-tech equipment including defibrillators, spinal and traction splints.

Eligibility

Ellie will be providing healthcare under the definition of regulated activity.

As she may be required to administer treatment to both adults and children this position is eligible for an **enhanced check with adults and children's barred list information**.
