**OVERTIME PAYMENTS AND PAY DURING ANNUAL LEAVE**

The NHS Staff Council Executive has established a partnership group for a time limited period to seek to reach an agreement on the settlement of any current or potential claims concerning overtime payments as part of holiday pay during periods of annual leave, under paragraph 13.9 of the NHS Terms and Conditions of Service Handbook (England), and the future application of that paragraph.

The NHS Staff Council Executive will provide updates on the outcomes of the discussions as they progress over the coming weeks.
