

Allied Health Professionals

Updates and additions to National Job Profiles

December 2020	Theatre Practitioners' profiles have been moved into the Allied Health Professionals job family.
September 2018	Orthoptist and Optometrist profiles have been revised. Orthoptist profiles have been archived. Orthoptists and Optometrists combined profiles under Allied Health Professionals and Health Science Services job families.
August 2018	Podiatrist Principal. Point three on the job statement has been changed as follows: 'within the trust and externally' has been replaced to read 'within the organisation and externally'.
July 2018	Orthoptists and Optometrists - the NHS Staff Council Executive has approved that profiles at bands 5, 6 and 7 be combined to form a revised suite of profiles.
