Sexual Health Advisory Service Manager	7	4

Version history and amendments

Action	Date	Notes
Rebranding	Nov 2023	Profile suite has been transferred onto new template. No changes to wording, scores or levels.
Band 7 matching information	June 2006	Following a consistency monitoring group meeting to consider matching to the sexual health profiles, it emerged that it was possible for jobs with a KTE at level 7 but no managerial responsibility to be matched to the band 7 Sexual Health Advisory Service Manager profile. However, please be aware that there is a suite of generic Health Improvement profiles that may be more appropriate for this type of job. Nursing profiles can also be used.
