

**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE GOVERNMENT OF THE REPUBLIC OF THE PHILIPPINES
AND
THE GOVERNMENT OF THE UNITED KINGDOM OF GREAT BRITAIN AND
NORTHERN IRELAND IN HEALTHCARE COOPERATION**

The Government of the Republic of the Philippines and the Government of the United Kingdom of Great Britain and Northern Ireland, hereinafter referred to as the Contracting Parties:

DESIRING to enhance their bilateral relations in respect of healthcare policy;

RECOGNIZING the importance of exchanging knowledge and expertise between the Contracting Parties through cooperation on health care;

Further RECOGNIZING that professional staff recruited from the Philippines to the National Health Service (NHS) employment in the UK have an opportunity to enhance their skills and explore best practice.

HEREBY AGREE AS FOLLOWS:

ARTICLE 1

The Contracting Parties shall endeavour to cooperate in the development of the delivery and health care through recruitment in the Philippines and employment of Filipino nurses and other healthcare professionals in the United Kingdom of Great Britain and Northern Ireland, in accordance with their respective existing national laws and regulations. Under this Memorandum of Understanding, other healthcare professionals shall refer to physiotherapists, radiographers, occupational therapists, bio-medical scientists and other allied health professions that are presently regulated by appropriate professional bodies in other countries.

ARTICLE 2

For the purpose of this Memorandum of Understanding, the Implementing Agencies for the Republic of the Philippines shall be the Department of Labor and Employment and the Department of Health. For the United Kingdom of Great Britain and Northern Ireland, the Implementing Agency shall be the Department of Health.

ARTICLE 3

The Contracting Parties shall undertake a recruitment project, hereinafter referred to as the "Project", between the respective implementing agencies.

The project shall be carried out as follows:

- To continue the recruitment project with a view to sustainable recruitment and employment of nurses and other healthcare professionals from the Philippines;

- To intensify bilateral exchanges of policy thinking with regard to nursing workforce development and best practice in the delivery of healthcare;
- To involve professionals staff and healthcare managers in the Project, particularly in relation to education and training of Filipino nurses and other healthcare professionals, with a view for a Mutual Recognition Arrangement in nursing and other healthcare professions between the Parties; and
- To draw up an action agenda to implement the Project, especially with respect to addressing any gaps in the entire process of recruitment of nurses and other healthcare professionals.

ARTICLE 4

Any dispute between the Contracting Parties arising out of the interpretation or implementation of this Memorandum of Understanding shall be settled by consultations or negotiations.

ARTICLE 5

Any amendment or revision to the text of this Memorandum of Understanding shall be done by mutual consent of the Contracting Parties. These amendments or revisions shall enter into force in accordance with provision on entry into force.

ARTICLE 6

This Memorandum of Understanding shall enter into force on the date of the later written notification by the Parties, through diplomatic channels, indicating that the domestic requirements for its entry into force have been complied with.
